

53 Weeks In a Year?

When scheduling your 2010 vacation, please be aware that Friday-to-Friday resorts and Saturday-to-Saturday resorts will not follow the same interval week schedules. In 2010, December 31 falls on a Friday. Therefore, Friday-to-Friday properties have a 53rd week in 2010.

Saturday-to-Saturday properties do not have a 53rd week until 2011. For this reason, week one at a Friday-to-Friday property will begin on January 7, 2011 while, at a Saturday-to-Saturday property, week one will begin January 1.

Through the remainder of the year, these weeks won't match until the Saturday-to-Saturday resort has had its 53rd week, starting December 31 of the year 2011.

In 2012, interval weeks will be "in sync" for Friday-to-Friday and Saturday-to-Saturday properties. The reason we want to call this to your attention is, if you own consecutive weeks at two different resorts having differing check-in days, this may have an effect on your vacation schedule.
